Scene 1: INT. NEON CITY ALLEY - NIGHT

Location: Neon City Alley — Night

Rain pours down in sheets, neon lights reflecting off the wet asphalt. A sleek mechanical cat with glowing blue eyes steps cautiously through a puddle.

The cat pauses, its ears twitching as it detects a signal.

In the city that never sleeps, one cat searches for what was taken from it.

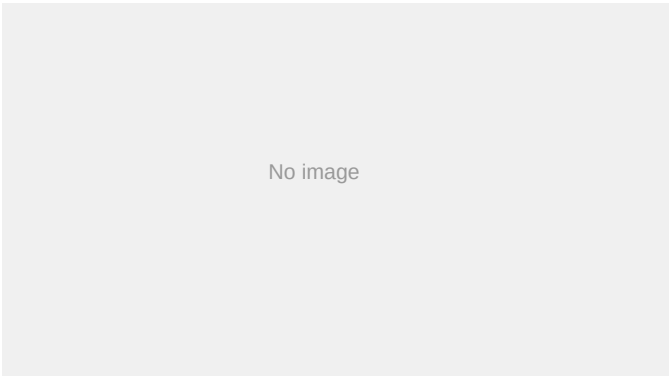

The cat leaps onto a dumpster, scanning the alley with infrared vision.

Shot 1

Cinematic low angle ground level shot, a sleek mechanical cat paw stepping into a reflective rain puddle causing a splash, full robotic feline body visible in sharp focus, matte black carbon-fiber plating,

Scene 2: EXT. ROOFTOP - NIGHT

Location: Rooftop — Night

The cat bounds across rooftops, silhouetted against the massive holographic billboard. The city stretches endlessly below.

Memories. Stolen by the ones who built it.

The cat reaches the edge of a building and looks down at a heavily guarded corporate tower.

Scene 3: INT. CORPORATE TOWER LOBBY - NIGHT

Location: Corporate Tower Lobby — Night

Sleek chrome and glass. Security drones patrol the corridors. The cat slips through an air vent, moving silently.

All clear on level 12.

The cat drops from the ceiling behind the guard and continues deeper into the building.

Scene 4: INT. MEMORY VAULT - NIGHT

Location: Memory Vault — Night

A vast chamber filled with glowing data crystals. Each one contains stolen memories. The cat finds the crystal with a faint blue glow matching its own eyes.

The cat touches the crystal with its paw. Memories flood back - a child laughing, a warm home, the smell of rain.

And in that moment, it remembered everything.

The cat grabs the crystal and runs, alarms blaring behind it.

Scene 5: EXT. CITY SKYLINE - DAWN

Location: City Skyline — Dawn

The cat sits on the highest rooftop, crystal safely tucked under its paw. The sun rises over the neon city, painting everything in gold.

Some things are worth fighting for. Even if you're just a cat.

FADE OUT.
